

Wastecare Bin

Features:

An industry first innovation to the market

Takes care of unsightly waste paper bins where bin liners protrude over the side

Benefits:

Compliments any washroom

Hidden housing within the bin, which conveniently holds a roll of continuous liners, makes for easy bag removal and reload

The ability to have the waste manually compacted into itself, allowing a greater volume of waste to be collected and disposed of

Washable colour co-ordinated chute system

Quick release lock mechanism

Dimensions:

Width - 340mm

Height - 650mm

Depth - 200mm
