

Big Roll

Toilet Paper Dispenser

Features:

This particular model can be fitted with an optional ashtray built into the top of the unit to help prevent nasty cigarette burns while simultaneously reduce fire hazards in the washroom environment

The clear window on the front panel allows staff to easily see when the toilet paper is running low

Benefits:

The most outstanding benefit of this toilet paper dispenser is the control over toilet paper consumption. Boosts the aesthetics of the washroom while keeping all toilet paper in one neat, safe and manageable unit
